Date: April 13, 2015

The Division of Disability and Rehabilitative Services (DDRS) invites DDRS providers to attend a presentation titled "Planning for Indiana's Future," on April 28, 2015 from 9 a.m. to noon at the Indiana State Library located at 315 W. Ohio St. in Indianapolis or via a live webinar.

At the presentation DDRS and our partners at the National Association of State Directors of Developmental Disabilities Services (NASDDDS) will provide national and federal perspectives for our stakeholders of state service systems for people with intellectual and developmental disabilities. This forum will also be an opportunity for interested individuals to help identify key priorities for Indiana's community service systems moving forward.
